Comments: Please limit the area opened to motorized vehicle recreation and keep the place wild for ecotourists, wildlife and flora. I support Alternative D to create 39 recommended Wilderness areas, including the Gallatin Range, Lionhead, Crazy Mountains, Bridger Range, Cowboys Heaven, Deer Creeks, Line Creek Plateau, Emigrant Peak, West Fork Rock Creek, Red Lodge Creek, Pryor Mountains, and Tongue River Breaks. These 711,000 acres should not be segmented into small habitat areas by recreational vehicle trails nor diminished in quality by loud human activities.
