Comments: June 3, 2019

Dear CGNF:

Please know that I assisted with and support the comments of the Gallatin Wildlife Association. I also personally support alternative D and any amendments that seek to protect any and all of our remaining roadless lands on the CGNF. I have enjoyed hunting, fishing, hiking, skiing, biking, backpacking and camping on the CGNF. Please protect all roadless lands from any future road development.

Thank you for the opportunity to comment.

Glenn Hockett
