Comments: The republican syndicate's assault on the American PEOPLE's vulnerable natural resources and wildlife is a glaring illustration of their total contempt and disregard for the will and well being of the vast majority of the American people. Their allegiance is to the dark mega corporations and right wing extremist billionaires who financed their subversive and treasonous takeover of our government. These priceless assets belong to the AMERICAN PEOPLE, not mega corporations and billionaires. Neither the BLM nor any other agency has the authority to in any way alter, transfer, or allow exploitation of these treasures. THEY ARE THE PROPERTY OF THE CITIZENS OF THE UNITED STATES!
