First name: Alan

Last name: Larson

Organization:

Title:

Comments: I would respectfully ask that no changes be made of this time. All members of my family enjoy access to the forest thru motorized vehicles. Myself and My wife and two young daughters enjoy the backcountry on snowmobiles. My Dad, Brother and myself also enjoy riding atvs when the weather turns warmer. In a time when we spend so much time in front of the computer or tv, motorized recreation provides positive family time and offers great family time adventures.

Regards
