Comments: I would vote for Alternative D to be adopted for the Custer Gallatin Forest Plan Revision. The reason I choose Alt D is because I believe that the highest and best use of the land is for wildlife. Alt D offers the best plan for wildlife and plant conservation. In turn, it will also yield cleaner water, better flood control, and fire suppression. Alt D will also offer the best wildlife viewing, sustainable recreation, and historic preservation. Thank you for taking the time to listen to the community and do what is best for the long-term preservation of our ecosystem.
