Title:

Comments: I can recall bACK IN THE '60'S WHEN GRIZZLIES WERE ON THE VERGE OF EXTINCTION IN THE u. s. DUE TO LOBBYING BY THE RANCHING INDUSTRY WHICH SEEMED TO VIEW NATIONAL LANDS AS THEIRS BY RIGHT ALONG WITH RENTING GRAZING RIGHTS AT RIDICULOUSLY LOW PRICES. WE DISAGREE WITH THIS ASSUMPTION BELIEVING IN A BALANCE,HEALTHY ECOSYSTEM FOR NATIONAL LANDS AS APPLYING TO FLORA AND FAUNA.
