Comments: I don't know how we can all pay taxes on our land and yet have a group of people and our own government tell us who can use it and who cannot. My family is a huge outdoor enthusiasts and certain plans in these proposals excludes my family and friends from using our tax paying land. I feel this land belongs to everybody who pays taxes not just a select few that want to hike, take pictures, and hug trees. The land is for all outdoor recreation including biking, atvs utvs, snowmobiles, hunting, fishing, hiking, logging, camping, and taking pictures. I recommend no change to the forest plan so all can enjoy the land we pay taxes for.

Thank you
