First name: Michael

Last name: Allison

Organization:

Title:

Comments: I support the Gallatin Forest Partnership Agreement and would like to see it adopted into the final plan.

Only 2.5% of our land in the US is wilderness. Once it is gone, there is no going back. Please protect our wilderness areas. Opening Wilderness Study Areas to mountain biking is very short sighted and is a slippery slope. You have an opportunity to protect wilderness for future generations and you should do the right thing.

Michael Allison
