Comments: I require off road motorcycle access in the high mountain areas of the Gallatin range. The Custer Gallatin Forest needs to have expanded motorized areas. When motorized closures happen, it concentrates the motorized users to fewer trails and increases conflict with other types of users.

Comment on Custer Gallatin Forest Plan DEIS

The Forest Service failed to provide a "No Action" Alternative.

The Forest Service failed to provide a "Preferred" Alternative.

Page 89 of the DEIS. Objectives (FW-OBJ-RT) 03. All alternatives (B,C,D,E) propose to close additional miles of roads which

further limits access. No alternative was provided for comment which increased access opportunities.

Page 94 of DEIS. Objectives (FW-OBJ-REC) 01. All alternatives (B,C,D,E) propose to "Remove or relocate existing recreation

facilities including dispersed sites. The "specialist report" recommended expanding camping and recreation facilities yet

No alternative was provided to the public which would have increased these recreation opportunities.

I request the Forest Service provide a "No Action" and a "Preferred" alternative. I request the Forest Service provide

alternatives that increase road and trail access. I request the Forest Service provide alternatives that increase recreation

and camping facilities.
