First name: David

Last name: Ball

Organization:

Title:

Comments: I support option C since it is the result of a collaborative effort albeit minus motorized interests. In this era of fractured politics, the Gallatin Forest Partnership proposal has the best chance of success.

Also, I'd like to see motorized travel banned from the trail to Hyalite Lake. There are too many dogs and children on that trail for motorbikes. My dog was really frightened by one.

Thanks,

David Ball
