Comments: Yes, I support every initiative--but most specifically as a trail runner--having run from East Rosebud to Cooke City no less than 20 times over the years--my DNA resides here..

I've run Western States, summited the Grand in the Tetons, Pikes Peak, Mt. Evans, Mt Bierstadt, I keep coming back home to the Beartooths.

We must keep this wilderness pristine and safe--protecting the ecosystem and our wild animals, preserving the lakes and rivers and streams and creeks.

Please let me know what I can do.

Thank you.
