First name: David

Last name: Robertson

Organization:

Title:

Comments: Solitude and Critical animal habitat should be prioritized in the Absaroka Beartooth, Bridger and Henry's Lake areas. More wilderness should be added and bicycles and ORV use should be curbed. Do not allow mountain bikes in the wilderness. Animals need corridors to connect current populations, especially grizzly bears. I am in favor of increasing wilderness acreage and keeping the land as wild and quiet as possible
