Comments: I think the Custer Gallatin National Forrest should be protected and preserved to remain in as natural state as possible, preserving as much as possible in Wilderness and Wild and Scenic Rivers.

I support the following options:

Protect the Crazy Mountains to preserve their outstanding wilderness values and manage the area in close consultation with the Crow Nation

Protect the following roadless areas in the Pryor Mountains as recommended Wilderness: Lost Water, Big Pryor, Punch Bowl, and Bear Canyon

Implement the Gallatin Forest Partnership agreement

Maintain the boundaries of the current recommended Wilderness in the Lionhead

Retain areas currently recommended for Wilderness in the Absaroka Beartooth area, and additionally recommend Dome Mountain, Emigrant Peak, Chico Peak, Woodbine, East Rosebud to Stillwater, and Red Lodge Creek

Manage the Tongue River Breaks, King Mountain, and Cook Mountain in the Ashland district as recommended Wilderness

Manage recommended Wilderness just like designated Wilderness, allowing only foot and horse travel in recommended Wilderness and not allowing any mechanized or motorized use.
