Comments: Hi, I grew up in Edgar, MT and have many fond memories of spending time in the Pryors, visiting the ice caves, checking out the wild horses, or just an overnight trail ride. I also spent time exploring the Bitterroot ranges, some of the most beautiful in the world. I fished the East Rosebud, Stillwater, and caught my first trout in Red Lodge creek. It is so important to me, and Montanan's, and our way of life to protect these areas. I am asking you to implement the Gallatin Forest Partnership agreement.
