Last name: Schemm

Organization:

Title:

Comments: We here in Montana are immensely proud and protective of our wild lands. If we don't stand up and preserve them now for future generations, we will lose them forever. We have an obligation to our past, present and future to keep Montana as pristine as possible and my greatest hope is that Forest Service is a leading force in doing so. Please don't allow them to be degraded. Thank you.

Sincerely, Elise Schemm
