Comments: Hi Custer Gallatin National Forest,

I'm Jaya Gatchell a senior college student from Helena. The Crazy Mountains mean a tremendous amount to me and my family. My brother and dad in particularly connected son to father in those wonderous mountains. Its rugged tranquility enrichens the lives of those lucky enough to visit, just the way it is. So I support implementing the Gallatin Forest Partnership agreement and protecting the Crazy Mountains to preserve their outstanding wilderness values and managing the area in close consultation with the Crow Nation.

Thank you for your time,

Jaya
