Comments: I believe that everyone should have the opportunity to truly experience the great outdoors. My first experience of this was when I went back packing in the crazy mountains about 6 years ago. This experience has shaped my life since and given me a passion for the outdoors. I firmly believe that this is an opportunity that everyone deserves. In my opinion opportunities like mine can be preserved by the following:

- Protecting the Crazy Mountains to preserve their outstanding wilderness values and managing the area in close consultation with the Crow Nation.

- Protecting the following roadless areas in the Pryor Mountains as recommended Wilderness: Lost Water, Big Pryor, Punch Bowl, and Bear Canyon.

- Implementing the Gallatin Forest Partnership agreement.

- Maintaining the boundaries of the current recommended Wilderness in the Lionhead.

- Retain areas currently recommended for Wilderness in the Absaroka Beartooth area, and additionally recommend Dome Mountain, Emigrant Peak, Chico Peak, Woodbine, East Rosebud to Stillwater, and Red Lodge Creek.

- Managing the Tongue River Breaks, King Mountain, and Cook Mountain in the Ashland district as recommended Wilderness.

- Managing recommended Wilderness just like designated Wilderness, allowing only foot and horse travel in recommended Wilderness and not allowing any mechanized or motorized use
