First name: Cal

Last name: Taylor

Organization: Utah Snowmobile Association

Title: President

Comments: We have many visitors from the state of Utah who enjoy recreating in the Cook City and Lions Back areas. Yes, we ride Snowmobiles and snow bikes, but we do it responsibly and environmentally. We are the greatest asset to these forests in the winter months, we spend a lot of money in the local towns as we travel for a few days admiring the different landscapes. We fully support the local Snowmobile Association and their clubs.
