Title:

Comments: I am an avid backcountry enthusiast. I snowshoe, snowboard, hike and snowmobile in the backcountry. I am a member of Tahoe Nordic Search and Rescue- Snowmobile team.

I make several trips per year to snowmobile in and around Montana and Wyoming.

I do not support the further reduction/ restriction of snowmobile use in USFS land. It is PUBLIC land to be enjoyed by all user groups, not just well funded, vocal, minority special interest groups.
