Comments: have seen the peaks of the Crazy Mt. from my truck while driving some place that I felt it was important to be. Many times I have said I would like to have the time to stop and explore these mountains. My hope is that you will protect this area so when or if I find the time in my busy life I can walk in a land that is wild and free of mans trappings. There are not many places like the Crazy Mountains left in our country today, my hope and dream is that you would do the following.

Protecting the Crazy Mountains to preserve their outstanding wilderness values and managing the area in close consultation with the Crow Nation

Protecting the following roadless areas in the Pryor Mountains as recommended Wilderness: Lost Water, Big Pryor, Punch Bowl, and Bear Canyon

Implementing the Gallatin Forest Partnership agreement

Maintaining the boundaries of the current recommended Wilderness in the Lionhead

Retain areas currently recommended for Wilderness in the Absaroka Beartooth area, and additionally recommend Dome Mountain, Emigrant Peak, Chico Peak, Woodbine, East Rosebud to Stillwater, and Red Lodge Creek.

Managing the Tongue River Breaks, King Mountain, and Cook Mountain in the Ashland district as recommended Wilderness

Managing recommended Wilderness just like designated Wilderness, allowing only foot and horse travel in recommended Wilderness and not allowing any mechanized or motorized use
