Comments: I am writing to express my strong support of your efforts to protect the Crazy Mountains to preserve their outstanding wilderness values. The area must be protected and managed in close cooperation with the Crow Nation and the Gallatin Forest Partnership agreement must be enforced.

Roadless areas in the Pryor Mountains must be protected as Wilderness: Lost Water, Big Pryor, Punch Bowl, and Bear Canyon, and the boundaries of the current recommended Wilderness in the Lionhead must be maintained.

Areas that are currently recommended for Wilderness in the Absaroka Beartooth area must be maintained, and the additional areas in Dome Mountain, Emigrant Peak, Chico Peak, Woodbine, East Rosebud to Stillwater, and Red Lodge Creek should be added as recommended Wilderness.

All these areas, as well as the Tongue River Breaks, King Mountain, and Cook Mountain in the Ashland district, should be recommended Wilderness and managed as designated Wilderness, allowing only foot and horse travel and not allowing any mechanized or motorized use . Thank you.
