Comments: am writing to comment on the revised management plan for the Custer Gallatin National Forest. In particular, I am in support of specific areas to be recommended and maintained as Wilderness. These areas include Bear Canyon, Big Pryor, Lost Water, and Punch Bowl in the Pryor Mountains, the current boundaries of Lionhead, maintaining current recommendations in Absaroka Beartooth, recommend additional areas in Absaroka Beartooth including Dome Mountain, Chico Peak, Woodbine, East Rosebud (to Stillwater), Emigrant Peak, and Red Lodge Creek, as well as managing King Mountain, Cook Mountain and Tongue River Breaks in the Ashland district as Wilderness. Please protect the Crazy Mountains while upholding outstanding wilderness values and managing the area in close consultation with the Crow Nation. Please manage Wilderness just like designated Wilderness, allowing only foot and horse travel in recommended Wilderness and not allowing any mechanized or motorized use. Thank you for considering my input. Best, Jill Majerus
