Comments: To Whom it May Concern,

I am a third-generation Montanan and a passionate supporter of conservation and wilderness. Some of my fondest family memories are of hiking, camping, and fishing in the Absorka Beartooth mountains. I am writing to say I support retaining the areas here that are recommended for wilderness as well as request that other areas such as, Dome Mountain, Emigrant Peak, Chico Peak, Woodbine, East Rosebud to Stillwater, and Red Lodge Creek be considered as wilderness areas as well.

I also support protecting the Crazy Mountains and preserving their wilderness values and cooperative management with the Crow Nation.

Lastly, I support managing recommended wilderness areas as designated wilderness areas, where motorized/mechanized use is prohibited.

I haven't yet had the opportunity to explore all of the wonderful places that the Custer Gallatin Forest has to offer, but I hope you will consider maintaining these protections among others to preserve the opportunity in the future for myself and others to enjoy these beautiful ecosystems.

Thank you for your time.
