Union county Target Range:

I personally believe that it is a great idea and an opportunity for Hunters, Families, and Individuals to have a place to practice their shooting skills.

I enjoy to Range here in Rabun County and believe the Public would enjoy theirs in Union county. I hope the folks in Union are very thankful towards the Forest Service for giving them this great opportunity to have a place to improve their 2nd Amendment rights. I am in support of the Decision.

Sincerely,

Robert L. Alexander
