Comments: 1. BAN ALL HUNTING AND TRAPPING. WILDLIFE WATCHERS SPEND MORE AND COME IN GREATER NUMBERS TO USE OUR NATIONAL LANDS OWNED BY 330 MILLION AMERICANS. THEY ARE NOT THERE FOR ONLY SPECIAL GROUPS OF USERS.

2. NO NEW ROAD. SHUT DOWN UNUSED ROADS. THEY BRING INVASIVES AND KILL ALL WILDLIFE BECAUSE OF SPEEDERS DRIVING 70 MPH.

3. NO BURNING OF THE LANDS. THESE FIRES GO OUT OF CONTROL AND COST TAXPAYERS BILLIONS. NO BURNING BECAUSE SOIL GETS BURNED AND IS HARMED.

4. NO CHEMICAL APPLICATIONS LIKE USE OF GLYPHOSATE, ATRAZINE, CHLOROPYRIFOS, AND DICAMBA.

5. NO FARMING IN OUR NATIONAL LANDS.

6. NO GRAZING PERMITTED ON OUR NATIONAL LANDS. LETTING GRAZER PROFITEERS USE OUR NATIONAL LANDS MEANS THEY PAY LITTLE OR NOTHING FOR DESTRUCTION OF THESE LANDS AND ALL THE TREES AND WILDLIFE THAT TRIES TO LIVE ON THEM. WE HAVE BEEN SUCKERED BY THIS FOR FAR TOO LONG.

7. NO LOGGING AND USING OUR NATIONAL LANDS FOR LUMBERYARDS. THEY EXIST FOR THEMSELVES AND THOSE TREES MAKE OXYGEN FOR US TO BREATHE. WE SHOULD NOT BE LETTING LOGGERS LIE TO US ABOUT "STEWARDSHIP" THAT IS IN FACT LOGGING UNDER A BETTER SOUNDING LYING NAME.

8. PUT HONEST PEOPLE IN EMPLOYMENT. THE GENERAL POPULATION IS BEING RIPPED OFF BY DEALS BETWEEN PROFITEERS AND USE OF OUR NATIONAL LANDS. WE ARE SICK OF THAT.
