Comments: Bighorn/domestic sheep buffer

Hi Brittany,

So great to see you last Wednesday evening at the Open House. I am not locating the email from Kelly Crane with the 9 mile buffer reference between BH and domestic sheep, so I googled and found the following plus many more:

[https://www.wildsheepfoundation.org/cache/DOC24\\_FINAL-Recommendations\\_For\\_DSandGT\\_Management\\_in\\_WS\\_Habitat-LARGE.pdf?20160620034034](https://www.wildsheepfoundation.org/cache/DOC24_FINAL-Recommendations_For_DSandGT_Management_in_WS_Habitat-LARGE.pdf?20160620034034) references the 9 mile buffer on page 14.

Page 2 paragraph 2 references distances:

Hope this helps!! Don't hesitate to contact me if you have thoughts or questions re: above.

Much gratitude for your work on the plan and ongoing collaboration with Broads!!

Great Old Broads for Wilderness is a national organization, led by women, that engages and inspires the activism of elders to preserve and protect wilderness and wild lands. Broads gives voice to the millions of older Americans who want to protect their public lands as Wilderness for this and future generations. We bring experience, commitment, and humor to the movement to protect the last wild places on Earth.
