Comments: I think this is an awful idea! You are just managing it for the outfitters and their interests. So as a local person I can only go float our rivers a time or two a year but if I'm willing to pay an outfitter I can go every day?! Being born and raised here I've accepted the fact that every year I will see a few more people that's just part of growth and the outfitters should expect the same. If you want to cut down on the river traffic limit the outfitters but you won't do that will you?!
