Comments: I do not believe we should restrict any more motorized vehicle traffic at this time. I realize this is primarily targeted at the side by side and utv's. While I strongly dislike the side by sides and utv's, restricting motorized vehicle traffic is not going to make anything better. It is not going to restrict the amount of people trying to enjoy the mountain. It's going to take an already large number of vehicles, and congregate them into a smaller area of use. This will only make things worse. Leave it alone. We don't need the government trying to impose more rules and regulations on us. You guys take take take and take some more. You never give!!!! Leave it alone. DO NOT CHANGE ANYTHING. All you are going to do is take more of our freedoms away that we will NEVER get back. PLEASE LEAVE IT ALONE. Thank you for your time.
