Last name: Gowans

Organization:

Title:

Comments: I am an avid offroader and hunter. I own multiple off road vehicles including modified off road buggy, multiple modified trucks and a rZR. I spend most of my spare time and entertainment money on off roading with my friends and family. I live in Yuma and getting up to the high ground is a nice relief from the heat in the summer. I recommend alternative 1 to keep the forest accessible to everyone and equal.

Thanks

Tyler Gowans
