Comments: I would like to see these roads left open, there are many people who do use the trails for pleasure and enjoy seeing the sites along these roads. As a jeep owner we preach read lightly and choose to follow those rules with in our group, the times we see more and more trails closing this restricted our usages even more causing a lot less money coming in to operate in your state. So I would ask you to reconsider the idea of closing roads that are for ORV designated and allow them to continue to be enjoyed for the next generations to come out both 2 wheel and 4 wheel enthusiasts.
