First name: Tammy

Last name: Bettenbrock

Organization:

Title:

Comments: Please dont close our trails. We love 4 wheeling, we respectfully use the trails. We have enough of our trails being shut down for various reasons, by various entities. We just want to get out in the fresh air and go where many others cant. Many of us, myself included, bring the whole family along to be together and away from the screens and other modern distractions. Let us keep doing that. Dont close our trails. Please.
