Title:

Comments: As a responsible outdoor enthusiast, hiker, off roader, trail rider, lover of this great beautiful state, I employ you to keep the rim road open to us and future generations. It is one of Arizona's treasures and would be a shame if it were to be closed. Perhaps limited access such as there is for Fossil creek during certain times of the year to reduce the amount of vehicular traffic, but please don't permanently close it. Thank you.
