Comments: I am a seasonal resident & daily user of Sitgreaves NF. My friends are also daily users. We cherish & protect the NF. We always pick up others trash & would report any illegal actions to the ranger station. The more trails that are open to us, the more we can protect the NF.

I PREFER ALTERNATE #2, AS IT APPEARS TO GIVE THE MOST LEGAL ACCESS FOR US TO HELP THE NF. PLEASE LET US DO SO. THANK YOU FOR THE OPPORTUNITY TO EXPRESS MY VIEW.

Overgaard is a thriving community, and rely on access to the NF to keep thriving.
