Comments: Why would you close this road and restrict us from exploring and sharing this with our kids and grand kids?! Our hard earned tax dollars should guarantee the access as we the tax payers pay for it's maintenance. So many miles of roads and wilderness access is being taken from us and it is alarming. We are continually losing access to more and more land in our own country and are tired of it!

Keep taking away our access to roads and ways to explore and enjoy the beautiful wilderness of Arizona and other areas, and you'll soon find individuals seeking to unseating those individuals that are making these decisions.

I urge you to vote NO on the decision to close this road.

Our land is our enjoyment.
