Title:

Comments: I camp in this area with my family, hunt, and fish all around this area for 15+ years. I take my three young kids out to learn to love, respect, and enjoy the great out doors. I would be a shame to have to stop that because the areas we love have been closed. To those of

Us who are law abiding citizens and cherish this area this seems nothing short of punishment. Please keep these areas open for the people love them.
