Comments: As a citizen and lover of the great outdoors the use of these lands MUST remain accessible to the public. Additionally ... ANY use of these lands by private venture MUST include both a usage fee and a percentage of ANY profit attained to benefit the citizens of the State of Arizona. Such profit will be managed by an overseer paid for by the venture to ensure proper handling of ANY monies gained as a result of activities in or on these lands. Additionally ... a fund shall be established to be sure the roadway is kept in good working order in perpetuity
