First name: Maurice

Last name: Colwell

Organization:

Title:

Comments: Both the Saffel Canyon and Maverick Trail are dedicated trails, funded by grant money from Arizona State Parks out of OHV sticker fund money. In addition, hundreds of hours were expended to establish those trails, mark them and maintain them. The least you can do is highlight their route on the map so they can be identified. I defy you to follow the Maverick Trail from one end to the other, including the loop over Porter Mountain. Give them some separate color!!
