Last name: Leamons

Organization:

Title:

Comments: As an outdoorsman, hunter, fisher, and camper, I think it would restrict use of the forest if any of these roads are closed. The rim road is one of the best attractions of the forest. Are these closures to allow for less chance of interaction with wolves in the future? I would hope we are not sacrificing our ability to access our heritage for this. The roads should be left as they are.
