Comments: As a frequent visitor to the San Juan Mountains I appreciate the opportunity to voice my opinion on these proposed changes.

I support the Spring Creek relocation as it would provide opportunities for motorized vehicles to access other loops including Taylor and Stoner Mesas.

I support the Lower Ryman Trail relocation, but request that you consider motorized access.

I support the Circle trail route and am fine with keeping that non motorized so those wanting to avoid motorized trails have a place to do so.

Thank you for your consideration,

Nick
