Comments: I cannot believe closure of any part of the Mogollon Rim road is being considered. It provides access to some of the state's wildest areas. Please do not close any of the Rim Road to vehicular access! I'm a lifelong outdoor recreationist. One time in 1989 I had the pleasure of driving the whole length of it, putting my rowboat down in every lake along the way. It was an experience I'll never forget, and I think all future generations should be able to experience it.
