Comments: I am a Rico home owner, and I am in support of the proposed RGS and Lower Ryman trail plan and the Circle trail plan. The RGS trail will enable users to stay off 145 which is often dangerous to ride along due to the RV traffic and other cars consistently traveling at high speeds. Additionally, the trail would provide intermediate and beginners an opportunity to ride along the valley bottom and enjoy a trail that is less steep.

Further, the trail would link to Ryman Creek and, with the addition of a Ryman creek re-route, provide a long non-road loop from Rico.

The circle trail will also benefit the community by providing a link to the CT dropping right into Rico.
