Comments: Dear Forest Supervisor Erickson,

RE: Crazy Mountain Land Exchange

I strongly object to trading sections 4 and 8, Township 2 North, Range 11 East in the southern end of the range for sections 11, 13 and 21 at the higher elevations in the Crazies. Sections 4 and 8 comprise some of the best elk and mule deer habitat available to the public in the entire range. In addition, Rock Ck is an outstanding westslope cutthroat trout fishery, publicly accessible by sections 4 and 8. Sections 11, 13, 21 are marginal wildlife habitat at best and contain no self-sustaining fisheries. This trade is not in the public interest.

Thank you.

Alex Russell
