First name: Karen

Last name: Smith

Organization: WHITE MOUNTAIN OPEN TRAILS ASSOCIATION

Title: Treasurer

Comments: There are many roads and trails including many 4 number fs trails that are used extensively by members of the White Mountain Open Trails Association as well as many members of the public. I have forwarded a GPX file of 133 Routes that have been personally traveled by myself and our club over the past 10 years. It is imperative that you consider all of these "tracks" I have sent you and leave them open to ATV/UTV travel. I would also like to bring to your attention that the old concept of ATV/UTV travel is accomplished using a 50 inch limited trail. This is totally out of date. 90+ percent of the off road travel is done with side by side UTV's approximately 60 inches wide now. It is very frustrating to have to turn around when we reach one of these trails that does not have a "go-around". The Grandview overlook near Eagar is one in particular that was recently closed to anything over 50 inches. Big waste of a great location that can now only be used by a very small percent of the public.

Sincerely Karen Smith
