Comments: Glacier Guides, Montana Raft supports

* Overnight and day use river sign in, either at river put ins or at entrance points like the junction of Camas Road and the North Fork road. Sign in would discuss LNT, human waste disposal, camp fires, camping guidelines and bear safety.

* LNT, human waste disposal, camp fires, vehicle set back from river, and bear safety education for all overnight vehicle campers at river access points - i.e. Coal Creek, Sonderson Meadow, Wortz Airstrip.

* 3 vehicle put in alleys at Moccasin, 2 vehicle put in alleys at Cascadia.

* Use thresholds to be set for above Paola on the Middle Fork, above Big Creek on the Northfork and on the South Fork above Meadow Creek Gorge. Once the threshold is reached, a permit system would need to be developed. The threshold would be developed with the general public, local landowners, local user groups and government agencies.

*

Banning Treble Hooks.
