

Data Submitted (UTC 11): 10/20/2019 8:00:00 AM

First name: Nancy

Last name: Verber

Organization:

Title:

Comments: This area is one of the last roadless areas in our country. Logging and the transportation needed to remove the logs is not necessary and may result in serious erosion as well as destroyed habitat for native animals.

Please keep retain this area as roadless, with no vehicular access.
