

Data Submitted (UTC 11): 10/19/2019 8:00:00 AM

First name: Wade

Last name: Lipscomb

Organization:

Title:

Comments: This does not create value economically or ecologically. We can not recreate these natural places. They provide so much for our planet. There is simply no reason that the people of the United States, your constituents will approve of the government destroying national forests and lose tax payer dollars.
