First name: Chris

Last name: Baillie

Organization:

Title:

Comments: There is absolutely no reason to abandon the Roadless rule in Tongas. I can only imagine this move somehow benefits the current administration financially. For the fake of all the sportsman of the US, dont do this. When Trump is in Federal prison, do the heads of the USFS want to be looking over their shoulder for their indictment over shady dealings. Keep the USFS honest. What do you want your legacy to be?
