First name: Amy

Last name: Brown

Organization:

Title:

Comments: To the public servants of our Forest Service, You cannot, must not, for all that is good and decent and basic common sense, open Tongass to logging. Be a hero and stand up to this madness and greed. Do the right thing. I know you know what that is.

We're depending on you. Your children and grandchildren are depending on you.

Thank you for reading this.

Amy Brown, Californian and proud Earthling who enjoys OXYGEN, nature and life.
