Data Submitted (UTC 11): 10/20/2019 8:00:00 AM
First name: KIM
Last name: HADEN
Organization: None
Title:
Comments: Do not cut down more precious forest for logging. Your quick dollar is not worth our clean air, animal habitats and the unique species that populate the area.

This decision s a short sighted, government decision catering to special interests rather than long term benefits to the planet.

Make better decisions or we will elect officials that will.
