

Data Submitted (UTC 11): 10/20/2019 8:00:00 AM

First name: KIM

Last name: HADEN

Organization: None

Title:

Comments: Do not cut down more precious forest for logging. Your quick dollar is not worth our clean air, animal habitats and the unique species that populate the area.

This decision s a short sighted, government decision catering to special interests rather than long term benefits to the planet.

Make better decisions or we will elect officials that will.
